

## *Assignment*

### *Journal of Research & Health*

The undersigned authors hereby affirm that the manuscript entitled:

.....  
.....

Under the reference number ..... is original and that all the statements asserted as facts are based on the author(s) investigation and research. The manuscript has not been published in any form and is not being submitted for consideration or publication elsewhere, in total or in part, except as an abstract of less than 250 words in the form of scientific presentations. The authors are also requested not to submit the present manuscript elsewhere. If the above requirements are not fulfilled, justification for duplicate publication and permission to republish copyrighted materials must be declared and accompanied by a covering letter.

In signing this form, the authors acknowledge that they have participated in the work in a substantive way and are prepared to take full responsibility for the data presented herein.

The author(s), in the event of the acceptance of the above manuscript for publication, does hereby assign and transfer to *Journal of Research & Health* all of the rights and interests with respect to the above assignment either in its current or any other form including revised or electronically disseminated versions. I also pledge if the authors, while or after reviewing the article, decide to withdraw it, I'll pay all the fees determined by the editorial office.
